

RICHESON HANDMADE PASTELS

underpainting blocks

Richeson Handmade Soft Pastels offer luxurious texture and incredibly rich colors in a large square block, ideal for blocking in. This is a great enhancement to our amazing 500+ color pastel line!

Our carefully selected 40 color range includes beautiful, rich darks and one white for laying in large swaths of background colors. Don't use up all of your pastels sticks in laying in your background; use blocks!
